2027 7th International Conference on Electronic Engineering and Signal Processing

www.eesp.net

Ganzhou, China | June 4-6, 2027

EESP 2027

2027 7th International Conference on Electronic Engineering and Signal Processing will be held in Ganzhou, China during June 4-6, 2027, sponsored by Gannan Normal University and supported by The British University in Egypt. The conference looks for original and high quality contributions related to electronic engineering and signal processing, including theories, methodologies, and applications.

Call for Papers

Contributed papers are solicited describing original works in electronic engineering and signal processing and related technologies. Topics and technical areas of interest include but are not limited to the following:

Track 1: Circuits and Systems
Track 2: Communication Systems
Track 3: Computer Science
Track 4: Signal Processing
For More topics, please visit the website:
https://www.eesp.net/cfp.html

Paper Publication

All submissions will be sent for double-blind review. Accepted papers with registration and presentation will be published in Conference Proceedings, and submitted for indexing by **Scopus** and **Ei Compendex**.

Important Dates

Submission Deadline: January 10, 2027
Acceptance Notification: February 10, 2027
Registration Deadline: February 25, 2027
Camera-Ready Paper Due: February 25, 2027

Submission

Please submit your paper through the the Submission Link:
https://www.zmeeting.org/submission/EESP2027
or email eesp_conf@outlook.com
